## Categories in the Effects Library

Sound files stored on the optical disk are organized in categories. Some files are cross-referenced to several categories so they can be located easily.

Each category in the Effects Library has a unique two-letter code. The following list is alphabetized by code. It includes codes for some extra categories that you can use if you create and store your own sound files.

| code | category            | code | category           |
|------|---------------------|------|--------------------|
| AA   | ALARM               | CP   | COMPUTER           |
| AL   | APPLAUSE            | CR   | CAR                |
| AM   | AMPHIBIANS          | CS   | CRASH              |
| AN   | ANIMAL, MISC.       | CW   | COW                |
| AP   | AIRPLANE            | CX   | CREAKS             |
| AR   | ARCHERY             | CY   | COMEDY             |
| AS   | AMUSEMENT           | DG   | DOG                |
| BA   | BATHTUB             | DL   | DRILL              |
| BB   | BASEBALL            | DR   | DOOR               |
| BC   | BICYCLE             | EA   | ELECTRIC APPLIANCE |
| BD   | BODY                | EL   | ELECTRONIC         |
| BG   | BACKGROUND          | ER   | EARTH MOVEMENT     |
| BH   | BEACH               | EV   | ELEVATOR           |
